

COSTA ***CARTS***

400LF

Engineered for elevated coastal living

2026 Model Year

THE COSTA EXPERIENCE

**This is not a golf cart.
It is a reflection of how you live.**

Engineered on a purpose-built aluminum platform and powered by an extended-range 64V architecture, Costa delivers a driving experience that is quiet, composed, and unmistakably refined. From private communities to waterfront estates, this is personal transportation, redefined.
